

## 1.1 Health and Safety Policy

SONIC SPRAY (2020) LIMITED is committed to providing and maintaining a safe and healthy work environment for our workers and all other persons within our workplace.

We will ensure the health and safety of our workers and other persons by:

- Taking the reasonable practicable steps to ensure all persons within our workplace are safe.
- Continuously reviewing, improving and monitoring our safety systems and safety performance.
- Complying with relevant applicable health and safety legislation, regulations, standards, codes of practices, good practice guidelines and industry best practices.
- Ensuring that all machinery, equipment and tools are safe to use and fit for purpose.
- Ensuring that workers are not exposed to unidentified or uncontrolled risk.
- Ensuring that we and our workers are prepared for likely or potential emergencies that may occur.
- Ensuring that workers have the information, knowledge, resources, training and skills to do their job safely.
- Engaging with, consulting with, and communicating to workers in all aspects of health and safety.
- Record all incidents/events/accidents and near misses and to, investigate where appropriate to identify causes, understand causes and prevent reoccurrences.

This Policy is to be reviewed bi-annually, updated where appropriate, signed and dated by SONIC SPRAY (2020) LIMITED OFFICER. Workers will be consulted in reviews. The Policy will be available to all workers via a copy, and to visitors and contractors on request.
