A CAV is evidence of compliance with the GAP and/or GRASP requirements as stated in the scope above, on the day of assessment.

Conditions of this CAV:

- The CAV applies only to the company named on this CAV certificate.
- The CAV cannot be transferred to a third party without Zespri's consent (any change of ownership or control of a CAV holder will be deemed a transfer to a third party).
- You must immediately notify Zespri in writing if there is any change to the information or details provided in the inspection, including to persons, scope, activity or business address.
- It is the responsibility of the CAV holder to ensure ongoing compliance and to ensure that they are meeting all regulatory responsibilities.
- The CAV holder must be available for additional inspections, as requested by Zespri or a Zespri-approved inspector, and co-operate in the inspection process - including allowing your employees to speak with the inspector.
